IPOH, May 14 — More than 100 e-commerce traders have signed up for the SMART Niaga@Perak e-platform since it was launched earlier this month as part of an effort to facilitate sales for the upcoming Hari Raya Aidilfitri.

Digital Perak Corporation Holdings Digital acting chief executive officer Meor Rezal Fitri Meor Redwan said the initiative was carried out in collaboration with e-commerce platform operators Shopee Malaysia (Shopee), Lazada Malaysia (Lazada) and e-wallet payment company Axiata Digital Ecode Sdn Bhd (Aspiration) through the Boost application.

"We hope more traders, especially small and medium-sized enterprises in the state would register with SMART Traders @ Perak, as the e-commerce platform will be able to help them to expand their sales to the international market.
